Silent Voices believes that God is the Author of life, that all human life is valuable - born and preborn - and that abortion is never the answer to an unplanned, "crisis" pregnancy. We are dedicated to giving compassionate, practical assistance to women experiencing unplanned pregnancies, providing accurate information about the realities and possible consequences of abortion, and offering help, hope and healing through a personal relationship with Jesus Christ to women already struggling with the trauma of abortion.

Be sure to follow us on Facebook (where we have all the latest news AND photos of our babies), Twitter, and our Blog at special-angel-blog.blogspot.com

Wish List

There are many ways you can help us meet the needs of our clients and their little ones. It doesn't take much - if everyone on our mailing list spent just \$5/month we'd have over \$5000/month available for our moms! If you'd prefer not to give cash, we can also use these items -

Diapers (sizes 2-6 - this is a CONSTANT need - and we're almost completely "wiped" out!!!)

Baby wipes

New baby clothing

NEW crib (If you aren't aware, there are new Federal guidelines regarding crib safety - beginning June 28, 2011, all cribs manufactured and sold (including resale) must comply with new and improved federal safety standards. The new rules, which apply to full-size and non full-size cribs, prohibit the manufacture or sale of traditional drop-side rail cribs, strengthen crib slats and mattress supports, improve the quality of hardware and require more rigorous testing. The details of the rule are available on CPSC's website at www.cpsc.gov/businfo/frnotices/fr11/cribfinal.pdf.)

NEW car seat

NEW stroller

While the Federal government hasn't created new guidelines for car seats or strollers, it has been our experience that baby items are frequently the subject of recalls - once the item leaves the hands of the original owner, there would be no way for the new owner to know that it has been recalled. To protect our precious babies, it has long been our policy that we cannot accept used baby equipment.

To make it easy to buy any of these items, you can go to our Wish List at Toys R Us and see what we need - we are registered as Silent (First Name) Voices (Last Name) and our wish list number is: **31177640**

Duckie Quilts

Sharon's grandmother (Duckie) has been creating handmade quilts for our moms and babies for as long as Silent Voices has been around! She's 95+ years old - but going strong - and loves piecing quilts! She's in need of fabric - if you have a stash of fabric that you're not going to use, we'll happily take it off your hands and put it into hers! If you don't have fabric but want to help, you can always pick up some really cute material at JoAnn's or Beverly's - she'll work her magic and make something special for one of our babies!

Christmas is Coming!

Every year we try to make Christmas a special time for our moms and their children. The economy has hit most of our clients very hard this year - some of them are simply unable to buy the necessities - let alone Christmas presents. We've found that the easiest way to help our moms get what their children need/want is to provide them with gift cards to WalMart or Target. We will have a Christmas party for them on December 14th - and we welcome anyone who wants to help us provide gift cards and/or anything else that would make that night special for our moms!
