**Silent Voices believes that God is the Author of life, that all human life is valuable - born and preborn - and that abortion is never the answer to an unplanned, "crisis" pregnancy. We are dedicated to giving compassionate, practical assistance to women experiencing unplanned pregnancies, providing accurate information about the realities and possible consequences of abortion, and offering help, hope and healing through a personal relationship with Jesus Christ to women already struggling with the trauma of abortion.**

If you want to help Silent Voices provide practical "stuff" to our moms, the easiest way to do it is by going to the Toys R Us website and purchasing something on our "wish list." The ID # for our list is: 30790829. It's fast and easy and blesses our moms immensely!

## Girl Scouts and Planned Parenthood

Many of us have very fond memories of being in the Girl Scouts. But the Girl Scouts of yesteryear and the Girl Scouts of today are two very different organizations. Did you know that Girl Scout troops all over the country work in partnership with Planned Parenthood? If you don't believe us, take a look at this website - or Google "Girl Scouts and Planned Parenthood" and be prepared to be shocked.

[www.washingtontimes.com/news/2010/mar/18/girl-scout-sex-guide](http://www.washingtontimes.com/news/2010/mar/18/girl-scout-sex-guide)

Here's an excerpt from the pamphlet distributed by the Girl Scouts at the 2010 United Nations Commission on the Status of Women -

"Many people think sex is just about vaginal or anal intercourse. But there are lots of different ways to have sex and lots of different types of sex. Sex can include kissing, touching, licking, tickling, sucking and cuddling. Some people like to have aggressive sex, while others like to have soft sex and slow sex with their partners. There is no right or wrong way to have sex. Just have fun, explore and be yourself!"

So - the moral of this story is that if you have young girls in your family involved in the Girl Scouts, you need to be involved as well - don't just drop them off and hope that they're learning the same things you did when you were a Girl Scout!

## 2011 Banquet

Our Banquet is already scheduled, and we have a wonderful Speaker lined up! Gianna Jessen has been involved in other Silent Voices' events - she came to our first Walk for Life - and we're looking forward to having her here again!

Gianna is first and foremost a Christian. She knows that her life was given to her by the grace of God. Gianna's biological mother was 17 when she had a LEGAL saline abortion in her third trimester. After being burned alive for approximately 18 hours in the womb from the saline solution, Gianna was delivered alive in a Los Angeles County abortion clinic. Her medical records state, "born during saline abortion." As a result of this, she has had Cerebral Palsy since birth. Gianna was not supposed to survive the abortion - was told she'd never walk - but she now runs marathons and shares her testimony all over the world!

The Banquet will be held on Friday, September 16<sup>th</sup> at Horizon Christian Fellowship. It's not too early to start thinking about hosting a table - there's no cost involved to you or your guests, as we'll be working on finding people to underwrite the event. All you need to do is fill a table of 8 with people you think would be interested in our ministry.
